SCOPE

ALTIMEX, S.L. is a company dedicated to the import, export, distribution and sale of food products, beverages, cigarettes and perfumes. Its strategic orientation is based upon the context of the Organization, the analysis of risks and opportunities as well as the observance of the expectations of the stakeholders.

In ALTIMEX, SL our goal is to assure a high level of satisfaction within all ALTIMEX clients, attending their quality requirements in tobacco, alcoholic beverages, soft drinks, perfumes and travel accessories that we deliver to them, as well as an appropriate service in the conditions they request.

ALTIMEX SL. commits to keep an appropriate fulfilment of the legal requirement, and others that the Company voluntarily accepts, like AEO (Authorized Economic Operator) allowing us to be a secure link in the supply chain, also to have a good process of constant improvement, which, by means of educational training, leads to the achievement of the quality goals, environment and decrease of pollution that the Company can generate; and maximize the efficiency of the Company in order to remain on the market.
